

# MATERIAL SAFETY DATA SHEET

ROLF C. HAGEN INC. 20500 Trans Canada Hwy  
Baie d'Urfé, Quebec H9X 0A2  
CANADA

|                                   |
|-----------------------------------|
| <b>Nutrafin Water Conditioner</b> |
| <b>Waste control</b>              |
| A7661 A7663 A7664 A7665 A7667     |

| Section I. Product identification and uses                 | Section II. Hazardous ingredients               |
|--|---|
| Product name Waste control                                 | This product contains no hazardous ingredients. |
| Chemical formula Mixture                                   |   |
| Chemical family Bacterial suspension                       |   |
| Material uses<br>Degradation of organic matter in aquarium |   |

| Section III. Physical data          |                                   |
|-------------------------------------|-----------------------------------|
| Physical state and appearance/Odour | Turbid suspension with a no odour |
| pH                                  | 7.0-8.0                           |
| Percent volatile                    | Not applicable                    |
| Freezing point                      | 32° F (0°C)                       |
| Boiling point                       | Not applicable                    |
| Specific gravity                    | 1.3                               |
| Vapour density                      | As water                          |
| Vapour pressure                     | As water                          |
| Evaporation rate                    | As water                          |
| Solubility                          | Soluble in water                  |

| Section IV. Fire and explosion data |
|-------------------------------------|
| Not applicable.                     |

|                                   |
|-----------------------------------|
| <b>Nutrafin Water Conditioner</b> |
| <b>Waste control</b>              |
| A7661 A7663 A7664 A7665 A7667     |

|   |
|---|
| <b>Section V. Reactivity data</b>   |
| <p>The product is stable under normal conditions of use.</p> <p>Condition to avoid : none</p> <p>Material to avoid : none</p> <p>Hazardous decomposition products : none</p> <p>Corrosiveness : non corrosive</p> |

|   |   |
|---|---|
| <b>Section VI. Toxicological properties</b> |   |
| <b>Routes of entry</b>                      |   |
| Effects of acute                            | Not available                             |
| Eye   | Slightly irritant in case of eye contact. |
| Skin  | Not available                             |
| Inhalation                                  | Non dangerous in case of ingestion        |
| Ingestion                                   | Not available                             |
| Effects of chronic overexposure             | Not available                             |

|  |   |
|--|---|
| <b>Section VII. First aid measures</b> |   |
| Eye contact                            | Flush eyes with plenty of water, lifting lids periodically for at least 15 minutes. Consult a physician if irritation persists. |
| Skin contact                           | Wash with soap and water.   |
| Inhalation                             | Non-hazardous   |

## MATERIAL SAFETY DATA SHEET

ROLF C. HAGEN INC. 20500 Trans Canada Hwy  
Baie d'Urfé, Quebec H9X 0A2  
CANADA

**Nutrafin Water Conditioner**

**Waste control**

A7661 A7663 A7664 A7665 A7667

Page 3 of 3

Ingestion

Non dangerous in case of ingestion

### Section VIII. Preventive measures

Protective clothing in case of spill and leak

Safety glasses are recommended

Spill and leak

Dilute with water and absorb with an inert dry material and place in an appropriate waste disposal container. Rinse with water.

Waste disposal

Dispose according to local and regional authority requirements.

Storage and handling

None

### Section IX. Protective measures

Protective clothing

Chemical safety goggles.

Engineering controls

None

### Section X. Other information

Special precautions or comments

Wash hands and face before eating, drinking or using tobacco products. For shipping, this product is not regulated by TDG.
