Section I. Product identification and uses		Section II. Hazardous ingredients
Product name	Hagen Clean Scent Shampoo	
Chemical formula	Mixture	
Chemical family	Not applicable	
Material uses	Brightens and coats for dog	

Section III. Physical data	
Physical state and appearance/Odour	Perfumed clear yellow liquid
pH	5.5-6.5
Percent volatile	80-85%
Freezing point	<5 °C
Boiling point	100°C
Specific gravity	1.020 to 1.040 at 20°C
Vapour density	Not available
Vapour pressure	Not available
Evaporation rate	Not available
Solubility	Soluble in water

Section IV. Fire and explosion data	
Flash point:	Not documented
Flammable limits :	Not documented
Fire degradation products:	Not documented
Fire extinguishing procedures:	Use water spray, dry chemical, foam, carbon dioxide
Fire and explosion hazards:	Not documented

<b>Clean Scent</b>
<b>D8</b>

<b>Section V. Reactivity data</b>	
Stability:	Stable.
Hazardous decomposition product:	Not documented
Incompatibility:	Not documented
Reaction products:	Not available. Product does not polymerize.

<b>Section VI. Toxicological properties</b>	
<b>Routes of entry</b>	
Effects of acute	Not known
Eye	May cause slight irritation
Skin	May cause slight irritation, especially on prolonged contact
Inhalation	Not established
Ingestion	May cause irritation of the gastrointestinal tract.
Effects of chronic overexposure	No data.

<b>Section VII. First aid measures</b>	
Eye contact	Immediately flush with copious quantities of water for at least 20 minutes holding lids apart to ensure flushing of the entire surface. If irritation persist seek medical attention.
Skin contact	Wash thoroughly with soap and water. Seek medical attention if irritation should develop.
Inhalation	Remove to fresh air. If irritation persists seek medical attention.
Ingestion	If swallowed, DO NOT induce vomiting. Give large quantities of water followed by several glass of milk if available. Seek medical attention. Never give anything by mouth to an unconscious person. If irritation persists seek medical attention.
